Product

(pictures only for illustration – original may differ)

The **RAPTOR-GAMING LH2** is the new stereo headset of Raptor Gaming Technology that is totally optimized to the needs of PC-Gamers. Due to the very light weight, the excellent stereo-sound and the noise cancelling microphone it fulfils even the highest demands. For easy and safe transportation of the headset to mobile gaming-sessions, the ear cups are designed to be inwardly folded.

The volume and the microphone are controlled through the cable integrated operating unit.

The compact and light design makes the **RAPTOR-GAMING LH2** the perfect choice for mobile PC-Gamers and extended gaming-sessions.
